

# Welcome

to the Annual Meeting of the High Energy Particle Physics &  
Astro-Particle Physics Groups of the Institute of Physics

University College London  
29<sup>th</sup>-31<sup>st</sup> March 2010

# In & Around UCL

- **North Cloisters** : tea & coffee, lunches, reception.
- **Haldane Room** : quiet sitting area & posters.
- Please wear your **badge** while on campus.

IOP HEPP & APP, 29-31 March 2010

Name  
**Institute**

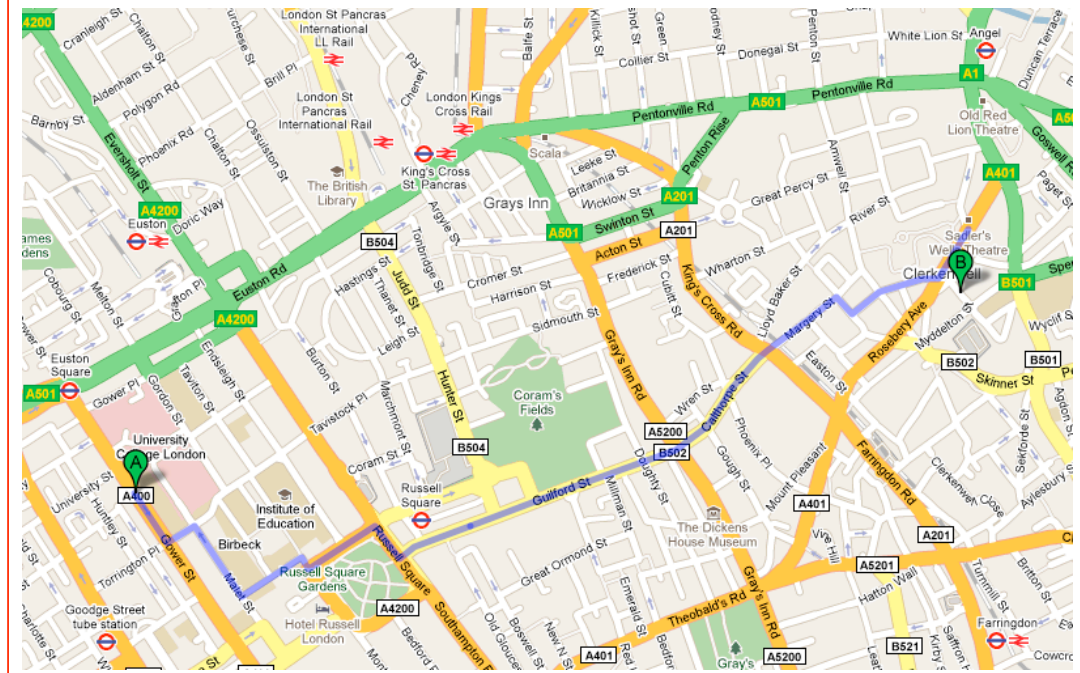

# Accommodation

- Those of you staying in LSE halls should have a map with directions in your welcome pack.
- Additional walking directions to Rosebery Hall are located at the conference desk.
- If you haven't already checked-in, you can do so after the reception tonight (but perhaps before you head off to the pub !)

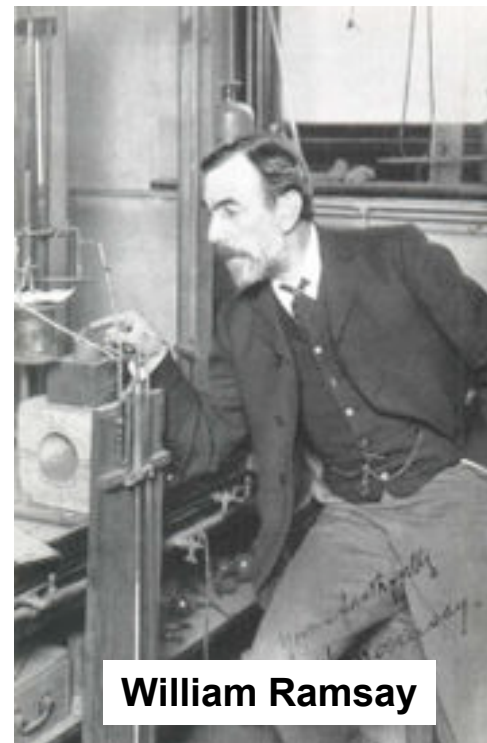

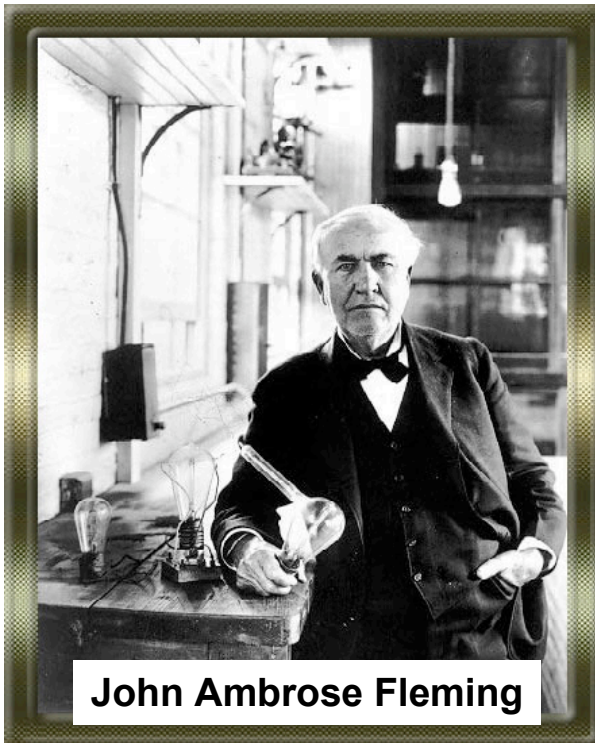

## Rosebery Hall

- ▶ 25 minute walk, or :
- ▶ 4 minutes walk from Angel tube station (Northern Line from Euston)

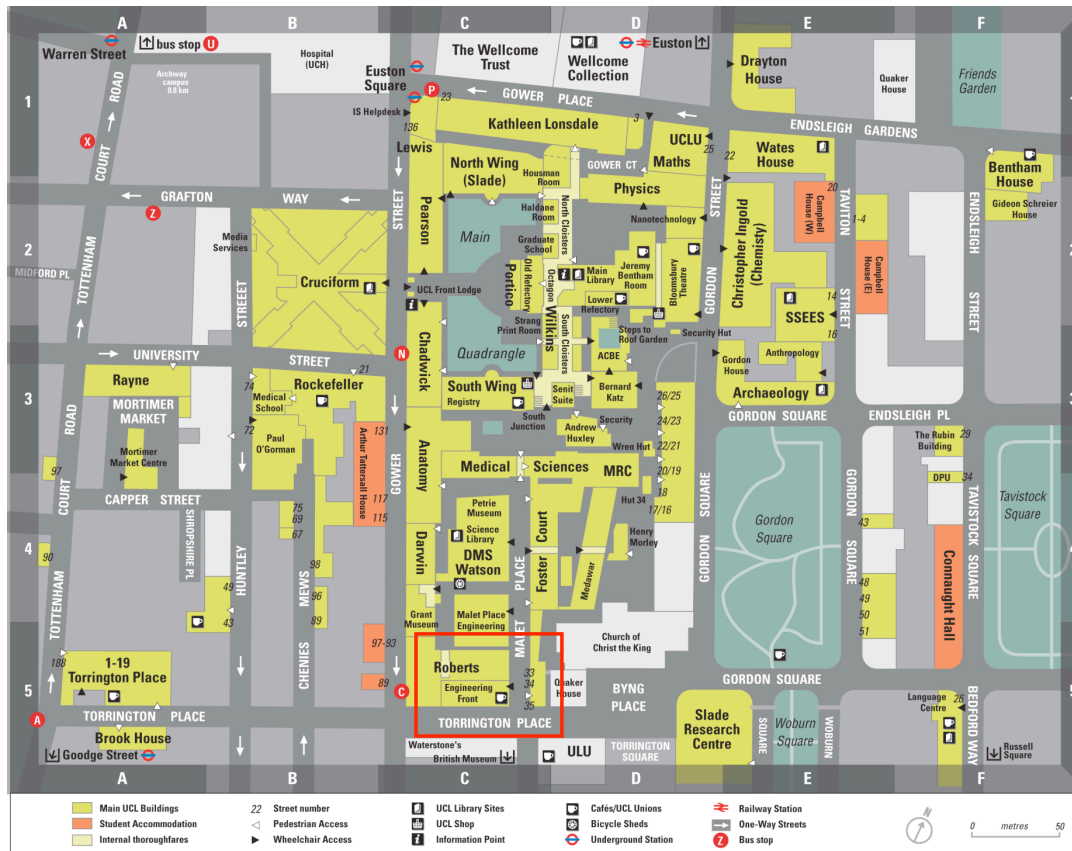

# Reception

- **North Cloisters** : buffet & drinks from 6:00pm this evening.
- Come to the reception straight after the last talk in this session. [For those staying in LSE halls of residence you can check-in late]

# 7 TeV ?

- STFC event to mark the start of physics at the LHC is at UCL tomorrow.

- ▶ Malet Place : enter via the Roberts Building, next to the coffee bar.
- ▶ Registration at 7:15am for start at 7:45am.
- ▶ Lord Mandelson speech at 11:00am

- We will try to get the live ATLAS/CERN feed projected in the Cloisters.

# Dinner : Tuesday Evening

- **Hotel Russell** : 7:00pm for 7:30pm, Woburn Room.
- 5 mins walk from UCL.
- Take along your ticket if you have a particular dietary requirement :

**VEGETARIAN**

# UCL : A Short Historical Tour

Tuesday  
6:00-6:45pm

Numbers strictly limited! Sign up at the conference desk or talk to **Jim Grozier** on Tuesday.

**Enjoy your visit to UCL ... and enjoy  
the science.**
