

bpmnr/nr_select.c

```
graph TD; A[bpmnr/nr_select.c] --> B[bpm/bpm_messages.h]; A --> C[bpm/bpm_nr.h];
```

The diagram illustrates the dependencies of the file bpmnr/nr_select.c. It is represented by a gray rectangular box at the top. Two dark blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box contains the text bpm/bpm_messages.h and the right box contains bpm/bpm_nr.h. Both boxes have a thin gray border.

bpm/bpm_messages.h

bpm/bpm_nr.h
