

`bpmsimulation/generate_bpmsignal.c`

```
graph TD; A["bpmsimulation/generate_bpmsignal.c"] --> B["bpm/bpm_simulation.h"]; A --> C["bpm/bpm_wf.h"];
```

The diagram illustrates the dependencies of the C source file `bpmsimulation/generate_bpmsignal.c`. Two dark blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes, indicating that the source file includes the headers `bpm/bpm_simulation.h` and `bpm/bpm_wf.h`.

`bpm/bpm_simulation.h`

`bpm/bpm_wf.h`
