

MIDDLESEX JUNIOR BADMINTON LEAGUE

FINAL LEAGUE RESULTS - 2003-2004

Please find enclosed the Final Results table for your information.

Congratulations to those clubs and teams which won trophies. And congratulations to those clubs that entered the League but did not manage to win a trophy this year. 6 out of the 7 trophies were closely contested, with 2 teams frequently tying in first position, the outcome being decided on who won the most rubbers. It is interesting to see the improvement this year over the standard last year in all teams competing.

90 match sheets were returned to the compiler. That is a staggering result. 9 matches were notified as having been conceded by an opponent. Where a match had not been played by the end of June no score was allocated.

Points are allocated as with the senior Middlesex League, ie 1 point for turning out a full team (win or lose), 1 point for a draw, 2 points for a win.

The divisional winners of the League were as follows.

- Boys Under 17:** Northwood and Chequers HLC tied on 12 points each.
Chequers HLC won on rubbers.
LUS: 9 pts. Chequers Kodak: 5 pts.
