TITLE

DUMMY COMPONENTS

A horizontal row of ten geometric shapes, each consisting of a large octagon with a smaller octagon inside it. The shapes are labeled with letters above them: P, R, O, U, S, I, G, N, H, and L. The labels are positioned as follows: P is at the far left; R is the second shape from the left; O is the third shape from the left; U is the fourth shape from the left; S is the fifth shape from the left; I is the sixth shape from the left; G is the seventh shape from the left; N is the eighth shape from the left; H is the ninth shape from the left; and L is at the far right.
