The following rules MUST be respected. Please read them carefully.

1. The Hostel Reception (Building 39) is open as follows:

Mondays to Fridays from 7.30 to 19.30

Saturdays, Sundays and Bank Holidays from 9.00 to 13.00.

Outside these times, room keys can be obtained from the security guard on duty at the entrance to CERN's Meyrin site (Swiss side) - Gate B.

2. You will be requested to provide a credit card number when you make your reservation and will receive an e-mail from the Hostel Reception confirming your booking. If you fail to arrive without prior notice ("no-show"), your credit card will be debited for the first night and the remainder of your stay will be cancelled.

3. If no credit card number is provided, the room will be held for you until 17.00 on the date of arrival. If you expect to arrive later than 17.00, you must inform the Hostel Reception before that time that you are definitely coming, failing which your room may be allocated to another person.

4. The Reception must be informed in writing of any modification or cancellation of a booking at least 24 hours in advance, including weekends.

5. Owing to frequent last-minute changes, the Reception is unable to guarantee you a room in a specific building (i.e. 38 or 39) and cannot give you your room number until the day of your arrival.

6. Reminder: the check-out time on departure is 12.00 noon. If you fail to vacate your room by this time, you may be charged for an extra night.

7. Children under 18 years of age are not authorised to stay in the CERN hostels.

8. All persons entering the CERN site must be in possession of a card issued by CERN certifying that they are authorised to do so. [Access cards are issued by the Reception and Access Control Service in Building 55 or Building 33.](#) CERN guarantors may apply for a limited-duration visitor's card on behalf of another person by sending an e-mail to the following address: external.visitor@cern.ch.
